Explanation of Fees

Our fees (termly and monthly) are split from a 10 month amount. We have made payments easier for parents by splitting this amount into termly and monthly instalments. By paying fees monthly you are paying the term fee split into 3 or 4 payments per term. We also ask upon admission to hand over a security cheque, which secures your space here with us and we kindly ask that if you leave, that a months' notice is given prior to your child's departure.

Once your child has joined, our staff will create a learning journey, assessments and observations based on their progress and development here at KKLC this is handed over to every parents when you leave the setting.

When you register at Kids Kingdom, you are reserving a space for your child which will not be filled by anyone else. If you decide to pull your child out of the setting for a month without notice, your space will be given to another child and parents coming back will be required to pay re-registration upon arrival back at the setting. Re-registration for our regular morning session is AED 750, and afternoon session is AED 750.

No refunds will be given for holidays, sickness of the child, or sudden closures out of control of KKLC.

If you have any questions regarding the above information, please feel free to contact the centre.

I have read and understood the above 'explanation of fees':
